

# Adopt a Shelter Dog Month

**This October, MCACC has lowered the cost of dog adoptions. All dogs are \$51. The fee includes spay/neuter surgery, rabies vaccination (if over three months), and dog license (if over three months).**

**Adopting an animal not only saves a life, it brings love and companionship into your home. And who doesn't need a little more love in their lives? So come in and adopt an adorable, cuddly animal (or two).**

**Save a life. Consider a shelter dog.**
